

WIMBLEDON AND PUTNEY COMMONS

Terms of Reference of the Finance and Investment Committee

1. Overall responsibility

On behalf of the Board of Conservators it is the responsibility of the Finance and Investment Committee (FIC) to be responsible for scrutinising, overseeing all financial and investment aspects of WPCC so as to ensure short and long term viability of WPCC and reporting back to the Board on all matters where decisions are required unless specifically delegated by the Board.

2. Composition, attendees and quorum

- The FIC will consist of not fewer than three Conservators appointed by the Board.
- No member of the Audit and Risk Committee may be a member of the FIC although members may attend as observers.
- External, independent co-opted members with relevant skills, expertise and experience may be appointed by the Board, as long as the number of Conservators on the FIC is greater than the number of external independent observers invited to attend regularly¹. External independent co-opted members are not members of the FIC and have no voting rights.
- At least one member of the FIC should be a qualified accountant or have significant, recent and relevant financial and/or investment experience, expertise or qualification.
- The Chairman of the FIC will be appointed by the Board annually.
- In the absence of the Chairman of the FIC the remaining Conservators present shall elect one of their number to chair the meeting.
- The Chief Executive and such other members of staff as the FIC may require shall normally attend meetings.
- Recommendations to the Board or decisions, where appropriate, will be made on the basis of a majority of the votes of the FIC members present and in the case of an equal division of votes the Chairman shall have a second/casting vote.
- A quorum shall consist of two members of the FIC each of whom is a Conservator.

¹ As WPCC's governing documents are silent about non-Conservators serving on FICs, the usual assumption is that they are therefore not permitted. An easy way to bring on relevant skills and expertise is to have carefully selected co-opted members present regularly who can add to the quality of decision-making and who can alert Conservators to opportunities, risks etc.

- The Chairman of the Board may nominate alternative Board delegates if one or two of the members of FIC cannot attend a meeting.
- The members of the FIC may ask any or all of those who normally attend but who are not members to withdraw from the discussion of particular matters to facilitate open and frank discussion.
- Appointments to the FIC will be for a period of up to three years extendable by no more than two additional three-year periods.
- There will be at least three FIC meetings each year usually held three weeks before a scheduled Board meeting.

3. Authority

The FIC is authorised by the Board:

- to approve actions, where this is specifically delegated as set out in the WPCF Financial Regulations and Delegations, as approved by the Board;
- to appoint ad-hoc task groups comprising members of the FIC (and others who the Board considers appropriate) to assist it in carrying out the task and to report back to the FIC for referral and decision to the Board.

The FIC shall seek authority from the Board:

- for any expenditure it wishes to incur on behalf of the FIC and subject to confirmation from the Board that funds are available;
- concerning any recommended instructions to investment managers and bankers on investment decisions within the context of the investment policy set by the Board;
- concerning any periodical review and if appropriate consideration and recommendation of alternative providers of services from investment managers, accountants and bankers;
- where it wishes to obtain outside legal or other independent professional advice, including securing the attendance of outsiders with relevant experience and expertise if it considers this necessary;
- for any public statements to be made in respect of matters appertaining to the FIC; and
- for any recommended changes to the WPCF Financial Regulations and Delegations arising from the annual review of this policy.

The FIC shall comply with any decisions concerning authorisation and/or payments to external advisors which the Board may make from time to time.
