Benches at The Spencer

WPCC has negotiated terms for a new licence with the Spencer public house for benches to be placed on Putney Lower Common for the use of both their customers and members of the general public visiting the Common.

The benches were due to be put out on the Common on 1st April, as they have been in previous years. However, due to unforeseeable delays to the Spencer's planning application, it will not be possible for the benches to be put out in April. Subject to the Spencer's planning application being successful, the benches will be in place in late May.
