## **MEDIA RELEASE**

### **November 2018 Update**

#### **100 Years of Remembrance – Battle's Over**

The Conservators were very honoured to support commemoration events for the centenary of The Great War on Sunday 11<sup>th</sup> November 2018. Two candlelit walks, one from Roehampton War Memorial led by the Rt. Hon Justine Greening MP for Putney and the other from Wimbledon War Memorial, led by Mr Stephen Hammond MP for Wimbledon, were very well attended, with over 500 residents joining in the two processions to the Wimbledon Windmill where they were joined by several hundred other local residents. Following the Last Post and a lament played by a piper at the top of the Windmill, hand bells were rung out in celebration of the armistice that was signed 100 years ago. The illumination of the Windmill tower in red with a poppy lighting up its cap, together with a roll call of all those who gave their lives in Putney, Roehampton, Southfields and Wimbledon in The Great War, provided a moving tribute as part of the Battle's Over events that took place around the world. (See attached photograph.)

#### **Small Mammal Monitoring**

The Board considered a report from the DEFRA Appointed Conservator on a small mammal trapping survey that had been undertaken in September 2018. Two bank voles and one field vole were recorded in areas around Hookhamslade Pond and a wood mouse was found in nearby heathland.

It was agreed that more surveys were necessary to gain a better understanding of the mammal populations on the Commons and their importance in the food chain, particularly for kestrels, owls and other birds of prey. It was agreed that a number of traps would be purchased and staff trained to assist with undertaking surveys.

#### **Car Parking on the Commons**

Conservators are keen to promote the voluntary donation scheme for the Windmill Car Park and as such are pleased to announce that a means of making donations for car parking via mobile phones and tablets has been introduced. Simply visit [www.wpccparking.co.uk](http://www.wpccparking.co.uk) and enter your payment details. In addition to make it easier, we've included a QR code on notices around the Commons that can be scanned with mobile phones. This code provides a direct link to the donations website. The voluntary scheme will be extended to the other car parks located on the Commons shortly.

#### **Investment Managers**

Following a tendering exercise, the Board has approved the appointment of CCLA Investment Management Limited to manage the charity's investment portfolio on a discretionary mandate. CCLA is one of the UK's largest charity fund managers.

## **General Open Meeting**

The Conservators are holding a General Open Meeting that will take at 7.00pm on the 3<sup>rd</sup> December 2018 at the London Scottish Golf Club, Windmill Rd, Wimbledon, London, SW19 5NQ. The Windmill Car Park will remain open to permit access.

## **Governance**

The Board was delighted to approve the co-option of Mrs Sarah Wilton, a Fellow of the Institute of Chartered Accountants, to serve on the Audit and Risk Committee. Mrs Wilton is a Putney resident and brings a wealth of experience in the charity sector to this Committee.

A Whistle-blowing Policy presented to the Board the Audit and Risk Committee was approved.

The [Resolutions](#) of the meeting of the Board of Conservators held on the 7<sup>th</sup> November 2018 have been posted on the Wimbledon and Putney Commons website.

## **Information Request**

A further request for information under the Freedom of Information Act 2000 and Environmental Information Regulations 2004 was received from a levy-payer. The information requested is in respect of an exchange of use of land between WPCC and the Royal Wimbledon Golf Club that was agreed in 1979, which enabled the Conservators serving at the time to build a maintenance centre. (The centre is required to house and repair the equipment necessary for the day to day maintenance and management of the Commons, in order to fulfil the charity's obligations under the 1871 Act of protecting and preserving the Commons and to provide essential welfare facilities for staff.) WPCC is not considered a public authority for the purposes of the Freedom of Information Act 2000.

ENDS

NOTES for Editors - Wimbledon and Putney Commons is a charity managed by the Wimbledon and Putney Commons Conservators (WPCC). It was established under the Wimbledon and Putney Commons Act of 1871. The Commons comprise some 1,140 acres across Wimbledon Common, Putney Heath and Putney Lower Common.
